Isaiah 62:10 - "Go out, go out through the gates; prepare a way for the people! Build it up, build up the highway; clear away the stones! Raise a banner for the peoples."

Friends,

Ps 103:11 - "For as high as the heavens are above the earth, so great is His faithful love towards those who fear Him". Have you ever thought how far the heavens from the earth might be? No one can measure that distance for we don't know how far it is. God's love for us is so big that it is impossible for us to calculate. We can ask ourselves now for how big is our love for Him?

God blessed us this past week with a wonderful gift. We had the opportunity to attend Jericho Walls, yearly School of Prayer seminar in Simons Town, Cape Town. It was just amazing. There were representers from eleven different nations, and within each nations own culture and language we worshiped our Lord and Saviour every minute. The presence of the Holy Spirit could be felt at every minute of the week. We are just so grateful for those who made it possible for us to attend the seminar as part of our preparations for Thailand.

Speaking of Thailand - our mission calling is in full swing. God appointed a support team to us that will handle our matters such as communication, wellbeing, logistic aspects, intercessor prayer support etc. The team is really excited with us and we are grateful to God for appointing each and every one of them. We will, on a later stage introduce the team to you as well.

We will be leaving for Thailand as early as December already. Lots of work still needs to be done before then. We are in the process in sorting out our home at the moment. Getting rid of some furniture and goods aren't easy but we managed to overcome that obstacle very quickly as we are focusing on the BIGGER picture of what God has for us. God has given us so many confirmations on the work that He wants us to go do for Him in Thailand - if we have to start testifying we will need to add twenty plus more pages to the newsletter.

We will be working in the Sisaket and Ubon Ratchathani province in Thailand with YWAM. The village where we will be staying is called Kanthararom. In Sisaket alone the population is 1 480 000 and the last senses taken it is estimated that only about 1 800 Thai's of the province are Christians. So much work that needs to be done.

Please feel free to contact us at any given time if you wish to know more about our calling.
